

Divisions and Age

Daredevils Ages: 10 to 14 years old, must have a minimum of two Speedway 51 driving classes before racing. Before a first time racer competes they must have approval from Speedway 51's race director.

Street Stock Ages: 15 and up, unless approved by Speedway 51 management (race director)

Tigers Ages: 16 and up, unless approved by Speedway 51 management (race director)

Late Model Ages: 16 and up, unless approved by Speedway 51 management (race director).

All Daredevil drivers need to attend driving classes. We are here to help make this a fun and educational division and to improve driving skills for upcoming years of racing at Speedway 51.

If a Daredevil driver wins more than three races, Speedway 51 tech officials may penalize driver in interest of competition.
