SPEEDWAY 51 ROOKIE, JR PRO, & MINI PRO KARTING GENERAL RULES

- any adult that shows any aggression towards a child kart driver will be escorted off the property and will not be allowed for two racing weeks. A second offense will result in being banned for the season.
 - any kart that pits will not be allowed back on the track under a green flag
 - only one adult will be allowed in the tech area with the kart and driver
 - only one vehicle per team will be allowed in the pit area with the kart team
- when lining up for a heat or feature, one adult must accompany the kart from the pit stall to the designated line up area
- heats and features will start on the start/finish line with waiving of the green flag. No passing until karts have crossed the start/finish line. The chief starter will attempt a rolling start for rookies, but may have to do a start from the stopped position and potentially a single wide start as needed.
- if you are part of a caution, even if innocent, you will restart from the rear as deemed necessary by kart officials directing you to do so. If you are accidently chopped or spin to avoid, the officials will take that into consideration of the restart. At times, considering the age group, there may be an original restart as directed by kart officials. If you spin and keep going there will be no yellow flag unless it poses a dangerous situation.
- one parent from each team must be designated to speak with a track official with any problems or concerns
- all engine swaps must be done in the tech area; if the engine is swapped after the heat race then the kart will start the feature in the rear. Tech must be notified or it will be an automatic disqualification.
 - trophies for top 3 in the feature event for all classes
- Speedway 51 photographer reserves the right to take pictures of the drivers/karts and sell those in souvenir booth
 - heat race and feature lap counts are determined by kart count
 - 10 or more karts will have 2 heat races
 - drivers must know what each flag means and will be asked before they start the season
- a point system and handicapping system will be used in 2018 to determine starting position
 - no added weight in nerf bars, bumpers, or inside tubes
 - numbers must be clearly visible to scorers

- number plate must be displayed on right hand side of the top of the cage
- Speedway 51 follows WKA technical rules-
- No décor with tobacco if under the age of 18. No décor with alcohol if under the age of 21.
