

NORTH COUNTRY FORD LATE MODEL

TIRE MEMO

Teams may purchase a **maximum TOTAL** of **8** new race tires between May 5th and May 12th. All registered race tires will be impounded at the end of the race event, with a maximum total of **8** tires in the shed at a time. This includes the 4 new tires raced on that evening which must still be “warm”.

1st timers to Speedway 51 for the 2018 race season, buying tires after May 12th, may buy a **maximum TOTAL** of **6** new race tires as well as presenting 2 used tires. These 2 used tires will be inspected for approval and must be raced on.

The 2 new purchased tires must be on the car for the entire practice with a minimum of 51 laps of race speed (at max lap time of 14.00 seconds) with NO exceptions.

Approved used race tires must be run in at least 1 of the 2 practices with the 2 new purchased tires.

For ACT Tour Races, Speedway 51 drivers must purchase tires from ACT only after which these tires will then become practice tires.

Utilizing the 2018 Tire Buy rotation plan for the season, the tire buy totals:

\$3,380.00
